Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: For the first time in years
the specifically compounded RX from
Madison Pharmacy relieved symptoms
that created major quality of life
issues for me. They are the
oldest and most respected
Women's Pharmacy in this country.
Please don't let the women in
your constituency down

Sincerely,
Gaye Malerba-Goldstein MS
